Attention: Lauren A. Perotti
Counsel for the North American Electric Reliability Corporation

Reference: Amended Bylaws and Regional Reliability Standards Development Process

Dear Ms. Perotti:

On March 6, 2017, North American Electric Reliability Corporation submitted proposed amendments to the Texas Reliability Entity, Inc. (Texas RE) bylaws and regional reliability standards development process (RSDP). NERC states that Texas RE proposes to revise its bylaws and RSDP to, among other things, (1) eliminate the Texas RE Reliability Standards Committee and transfer its duties to the Texas RE Member Representatives Committee, (2) add a Texas RE Director Compensation Committee, and (3) revise the activities of the Texas RE Nominating Committee.

Notice of this filing was issued on March 6, 2017, with protests and interventions due on or before March 27, 2017. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure. 18 C.F.R. § 385.214. No protest was filed.

NERC's uncontested filing is accepted pursuant to the relevant authority delegated to the Director, Office of Energy Market Regulation, under 18 C.F.R. § 375.307, effective as of the date of this order.

This action shall not be construed as approving any other application, including proposed revisions of Electric Reliability Organization or Regional Entity rules or procedures pursuant to 18 C.F.R. § 375.307(a)(2)(vi). This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents. Such action shall not be deemed as recognition of any claimed right or obligation associated therewith and such action is without prejudice to any findings or orders that have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the Electric Reliability Organization or any Regional Entity.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order pursuant to 18 C.F.R. § 385.713.

Sincerely,

Penny S. Murrell, Director
Division of Electric Power Regulation-Central
