WASHINGTON, DC 20426

OFFICE OF ENERGY MARKET REGULATION

North American Electric Reliability Corporation  
Docket No. RR16-2-000

January 21, 2016

North American Electric Reliability Corporation  
1325 G Street NW, Suite 600  
Washington, DC 20005

Attention: Charles A. Berardesco  
Senior Vice President and General Counsel

Reference: Revisions to Rules of Procedure

Dear Mr. Berardesco:

On December 7, 2015, North American Electric Reliability Corporation (NERC) submitted proposed revisions to its Rules of Procedure. NERC states that the purpose of these revisions is (i) to be consistent with the terminology used in Critical Infrastructure Protection Reliability Standards approved by the Commission in Order No. 791, (ii) align the definitions of terms in Appendix 2 of the Rules of Procedure with the Glossary of Terms used in NERC Reliability Standards,<sup>1</sup> and (iii) reflect previously approved revisions to the NERC Standard Processes Manual.

Notice of this filing was issued on December 8, 2015, with protests and interventions due on or before December 28, 2015. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure. 18 C.F.R. § 385.214. No protest was filed.

NERC's uncontested filing is accepted pursuant to the relevant authority delegated to the Director, Office of Energy Market Regulation, under 18 C.F.R. § 375.307, effective April 1, 2016, as requested.

---

<sup>1</sup> See NERC petition for Approval of Revised Definitions of Terms Used in Reliability Standards, filed concurrently with this filing in Docket No. RD16-3-000.

This action shall not be construed as approving any other application, including proposed revisions of Electric Reliability Organization or Regional Entity rules or procedures pursuant to 18 C.F.R. § 375.307(a)(2)(vi). This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents. Such action shall not be deemed as recognition of any claimed right or obligation associated therewith and such action is without prejudice to any findings or orders that have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the Electric Reliability Organization or any Regional Entity.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order pursuant to 18 C.F.R. § 385.713.

Sincerely,

Penny S. Murrell, Director  
Division of Electric Power Regulation-Central
